

Bethanie Como Aged Care Home

30 McNabb Loop
Como, WA 6152

Bethanie
Aged Care Homes

Welcome to Bethanie.

Bethanie's mission is to demonstrate the love of God by positively changing the way Australians experience ageing – every customer, every family, every community, every day.

This mission has been driving Bethanie for nearly 70 years, and has taught our organisation the transformative power of being guided by purpose. We believe that's what makes us truly different. Like other providers, we strive to deliver the fundamentals: fantastic safety, care, and support; but we're also driven to go further, understand our people and support their interests, and empower older Australians to lead their most meaningful lives.

We get ageing.

Our sense of purpose is critical to our wellbeing, no matter our age. That's why we believe in creating aged care homes that promote individuality, nurture self-worth, and ensure lives aren't just filled — they're full.

We are committed to providing personalised, high-quality care supported by a professional and **well-trained team of 24/7 nurses, care workers and therapists** who will respect and understand your unique story.

Our food and dining experience is important to our residents and to us, which is why we have **in-house chefs** on site to prepare freshly cooked meals.

We understand some things that you could easily manage when you were younger may now seem a little more difficult, which can often be a difficult transition. Bethanie is proud to offer a holistic **chaplaincy service** to care for your spirituality and well-being.

About Bethanie Como

Bethanie Como is a vibrant and welcoming community dedicated to your health and wellbeing.

Our luxury, boutique residence is nestled in the lush, leafy surrounds of Como, overlooking surrounding parklands and reserves.

Residence features

- Spacious purpose-built rooms with elegant furnishings and large balconies to soak in the views
- In-house chefs who have created a nutritious menu, with meals freshly cooked on-site using quality ingredients. Includes afternoon treats daily
- Premium amenities such as landscaped gardens, comfortable communal areas and a large, fully-equipped gymnasium, open for use by external providers
- Social events for residents to participate in both on and off-site
- Resident activity room for activities and movies
- Large Club rooms for hire for family functions, with events coordinated by our Support Services Manager

Clinical Care

While mobility, health and living situations may change, those in their later years of life hold onto the right to feel comfortable, safe and secure in an environment that embraces their character.

Bethanie Como is a place that provides high level acuity, dementia and palliative care. Our highly trained clinical staff take the time to understand our residents and tailor our care to meet their individual needs in a purpose-built residence.

In addition to the clinical care our team provide, we also offer:

- Medical support with GP's on site every week, and a Nurse Practitioner three times per week
- Support from a designated Palliative Care Coordinator
- Individual, personalised Therapy programs with our Lifestyle Coordinator

Dementia

We are committed to good dementia care that focuses on more than just a diagnosis, placing the person at the centre and coming up with individualised solutions to support each person's unique needs.

Dementia care requires a team effort to ensure our residents receive the right care and are supported to participate in the activities and roles that they find meaning in. Our residents living with dementia enjoy access to all amenities on the ground floor at Como, including safe outdoor spaces and quiet areas for rest when they need a less stimulating environment.

Palliative Care

We provide quality end of life care to those who require palliative care, while also ensuring loved ones are supported through the process. We prioritise the comfort and wellbeing of our residents and give their families the space to discuss sensitive issues, and are well supported by our dedicated Chaplain.

Costs and funding

Rooms at Bethanie Como commence from \$850,000.

There are three options available to pay for your accommodation costs.

1. Refundable Accommodation Deposit (RAD)

This is a lump sum payment that is fully refundable when the room is vacated. If this option is selected, the client must be left with a minimum of \$55,000 in assets.

This consists of a minimum lump sum payment of \$840,000.

2. Daily Accommodation Payment (DAP)

This is a daily payment which is not refundable. Consisting of a minimum daily payment of \$177.51

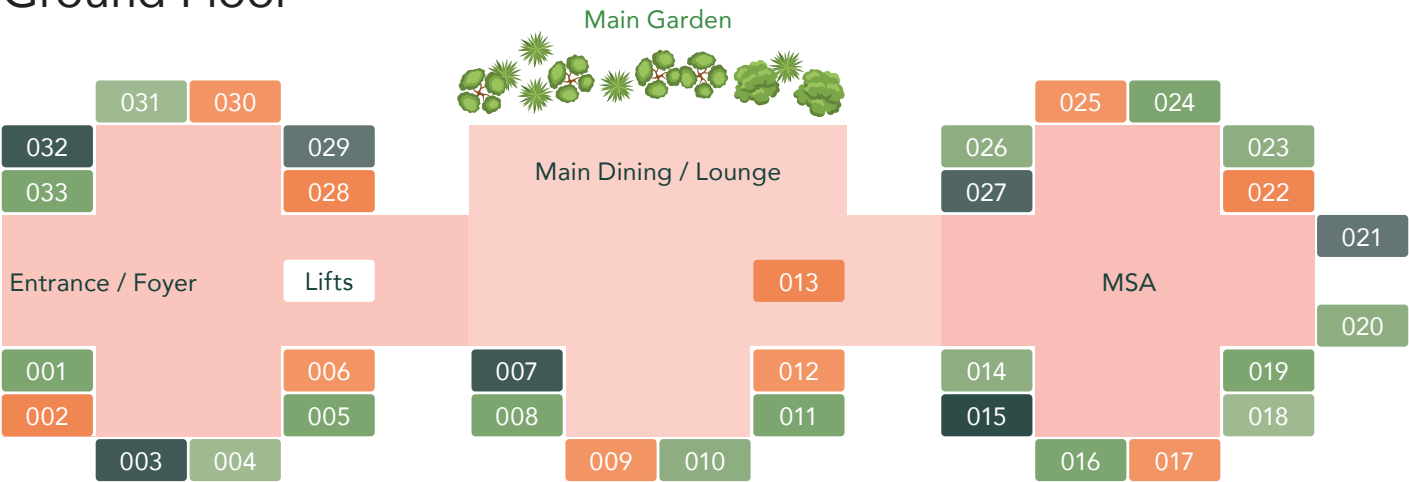

3. Combined RAD and DAP payment

This gives you the option to pay part lump sum payment and part daily payment.(for example, a 50% RAD of minimum \$420,000, plus 50% DAP of minimum \$68.72 per day)

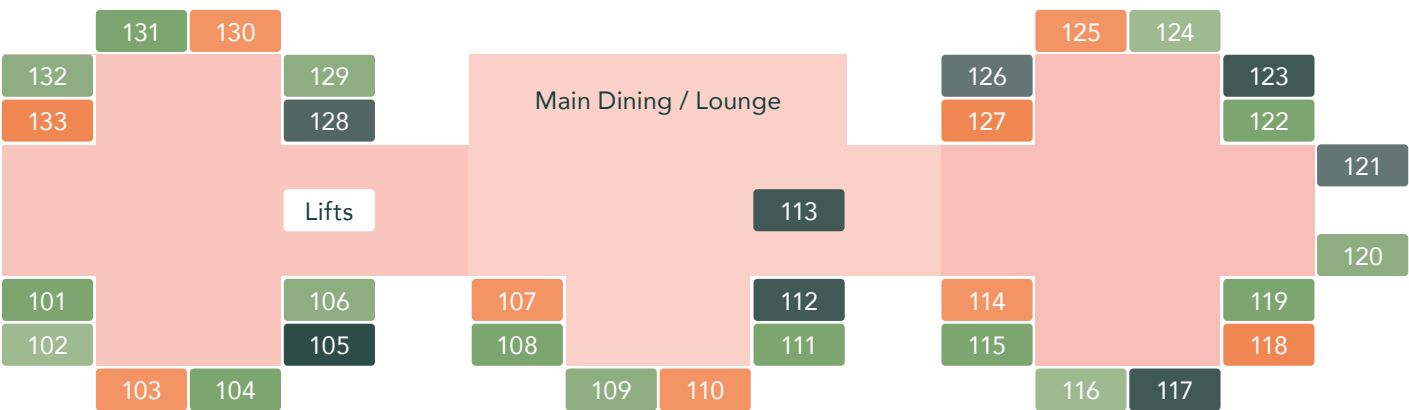

In addition to these accommodation costs, there are other costs and charges such as the **Service Package fee**, you need to be aware of. We recommend speaking with a Bethanie Aged Care Navigation Specialist to understand costs in greater detail.
